Dear Guidance Director:

The Monmouth County Alumnae Chapter of Delta Sigma Theta Sorority, Inc. is now conducting their annual scholarship search. Over the years, our chapter has awarded more than \$100,000 in scholarships. Delta Sigma Theta Sorority, Inc. was founded in 1913 at Howard University in Washington, DC as a public service sorority. As one of the 850 international chapters of Delta Sigma Theta, we share in the promotion of social action, cultural enrichment, economic development and academic excellence.

As an organization of college educated women, reaching back and assisting other young people in achieving higher education is a major focus of our organization. We are pleased to enclose the application, the criteria for eligibility and all other pertinent information regarding the application process. When distributing applications to students, please include a copy of the "Standards for Scholarship Applicants" sheet. Additional copies of the application may be made if necessary. The application may also be downloaded from the above website.

All applications must be received by **February 16, 2018 and include a transcript with both first and second marking period grades and SAT scores.** Please mail all applications to the above address. All applications must be sent from a school administrator. Applications sent from personal addresses will not be accepted.

Very truly yours,

Tavia S. Robinson
